Mr. Max Feken, Scientific Evaluation Section, FDACS

ACTION ITEMS

SLN REGISTRATION

MUSTANG® INSECTICIDE, (zeta-cypermethrin), (FMC Corporation, EPA Reg. No. 279-3126) for control of Asian citrus psyllid in citrus by low volume ground application. This SLN application replaces the previous request for a similar use of MUSTANG MAX® EW INSECTICIDE (reviewed by the Committee at the April 2, 2009 meeting of the PREC). The Committee provided additional review time for comments from the FDEP and FFWCC and recommended issuance of the SLN subject to consideration of the outstanding reviews and expected guidance from EPA. (GT)

ADJOURNED AT 10:20 AM
